### The 4-Way Test

Of the things we think, say or do –

1. Is it the **Truth**?
2. Is it **Fair** to all concerned?
3. Will it build **Goodwill** and **Better Friendships**?
4. Will it be **Beneficial** to all concerned?

Jim Paioni's final meeting of the year was a colorful and festive event full of awards and certificates. Perfect attendance awards went to Bill Bernardo, Randy Broughton, Don and Donna Murphy and Kathy Paioni. Members Art Batchelder, Dave DeLong, Ron Nelson and Dan Moore received their membership certificates and each of the board members received a plaque of appreciation. Thanks, Jim. Onward to International Service Chairman!

### **Message from Past President Jim Paioni:**

In reflecting back over this last Rotary year, we have built a solid foundation. Everyone has worked together to be the best we can be. Our fund-raisers are the first example. We have had two successful events this year and everyone participated. This helped set the financial security we need for the future. Our weekly programs have been very informative. Many people participated in finding topics of interest and fringing this to our Friday morning breakfasts. Our literacy programs are benefiting the community and will continue to grow. Our weekly Bulletin is enjoyed and read at every Rotary meetin, also it's used for reference. We have established the Adopt-A-Highway Project and it has allowed the Club to share a few laughs while benefiting the community, Ditric, and international needs.

In closing, I personally have been deeply honored to have served as your President 2001-2002 and thank you for the trust you have bestowed upon me. Now, "Let's get it on!" Respectfully, **Jim Paioni**

## Meeting Notes – 6/28/2002

### Message from President Tony Borba

Dear Fellow Rotarian: Welcome to the 2002-2003 Rotary Year! I am honored to serve as your President and to build on the foundation and traditions established by our first two presidents, Bob Reibold and Jim Paioni. In two short years, they have established our club as one of the most respected young clubs of the area. My hats off to Bob and Jim! As

we begin this year, I would like to share some important information with you.

**Officers:** The officers this year are listed on this bulletin. They need your help. I would like each of you to serve on at least three sub-committees this year and will have a form available for sign-up.

**Attendance:** I would like to make a special appeal to you to make every effort possible to attend the club meetings and to arrive by 6:45 a.m. We will start the meeting promptly at 6:45 a.m. with the flag salute and an invocation. We will then give members 15 minutes to enjoy their breakfast and fellowship with fellow Rotarians. However, it is critical that we arrive on time to take advantage of this important time of fellowship. We will resume the meeting at 7:00 a.m.

**Breakfast:** As you may or may not be aware, the Club has to pay for breakfast whether or not members are present. Therefore, beginning in August, members will be charged for breakfast whether or not they attend the meetings. However, members will receive credit for a breakfast for each make-up at another club. We have a great club! I am looking forward to the opportunity of serving you. Sincerely, *Tony Borba, President*

**The Rotary Club of Salida is co-sponsoring this annual event. If you want to help plan, see Don Murphy, Dan Moore, or the Paionis**

Jim Duval from the Stanislaus County Redevelopment Agency reviewed the progress of the various improvement projects in Salida. The groundbreaking ceremony was June 21 at the Salida Park.

Funded by Redevelopment funds and Mello Roos fees, the project will benefit all the residents of Salida. The construction will pause before the Town and Country Parade and Festival so that the event may proceed and will resume after it's over.

Jim also informed us of many other projects using Redevelopment funds in Stanislaus County and of the kinds of programs that benefit low income households.
