Matt Machado, County Update

~by John Freeland - Matt Machado -
Update on County Roads Projects
With so much going on in northern
Stanislaus County, it's no wonder that
many of our roads are on the
improvement list, and some that should
be. Matt Machado, Stanislaus County's
Director of Public Works, gave us an
update on the roads that affect us most:

- Pirrone Road – widening of the road up to the canal has been completed;
- Sisk & Bangs – signal lights will be put in this summer;
- Salida Blvd. – improvements

commencing this summer from Pelandale to past Kiernan;

- SR 219 – a state project begins this summer with widening from Hwy 99 to Dale Road, and will be completed in two years;
- SR 219 - phase 2 from Morrow to McHenry is under design with construction to commence in 2010, with completion in 2012;
- Kiernan & Hammett – a study is underway, with construction to possibly begin in 2012;
- North County Expressway – from Hwy 99 to SR 120 past Oakdale. A joint powers authority has been formed, consisting of the county and the cities of Modesto, Riverbank, and Oakdale. The project is estimated to take 20 years;
- Pelandale Interchange – A joint project involving CalTrans and the city of Modesto, construction is start between 2010-2012.

With 1,600 miles of county roads, there are plenty of roads that need attention. Mr. Machado is moving the county's maintenance toward the goal of resurfacing 160 miles a year.
